

CAMP J

SUMMER 2017

A diverse summer camp dedicated to your child's happiness, growth and well-being.

ABOUT CAMP J

Welcome to Camp J, where campers make memories and friendships that last a lifetime! Our camps encourage campers to explore and develop their interests in a fun, supportive community. Camp J campers become more independent, experience being part of a community, and learn to interact with their peers while participating in a variety of summer programs, trips and events.

We carefully craft our camp programs to nurture your child's interests, offering general and specialty programs, with age-appropriate activities focused on both fun and learning. There's never a dull moment at Camp J!

Your child's care and well-being are our priorities. Our staff members embody the friendly, energetic and caring environment that we create at Camp J, and our low staff-to-camper ratio (no more than 10 campers for each counselor) ensures a safe and successful summer.

We hope that your family will join us at Camp J this year and be part of another summer of fantastic memories...we know they'll last a lifetime!
