Based on availability, we offer extended care for \$10 per hour.

Summer Program hours are designed to align with our Camp J Youth Program for older children, but children may be picked up at any time during the day. Parents have the option of our “nap room” or “no nap room” for their children, based on your preference. For full-time enrollment in our summer program, contact our Office Manager, Jill Schwartz at Jills@rosenjcc.org.

"Jump Into Literacy" Program ✨ Ages 2-4

Register for our summer program, which includes fun activities while making storybooks come alive. Our program encourages a love for reading and extends stories to a new level that includes building vocabulary, creativity and language at an age when children's imaginations are optimal and language is developing at a rapid pace.

Children engage in a variety of experiences including water play, art, sensory, music and movement, cooking, science and

outdoor play and games, as well as fun book character dress-up days and special events.

Teachers and children make their favorite storybooks come alive each week.

Water play is included in the summer program.
